## RESUME OF JOHN CARTER CALHOUN

John Calhoun was born in Oakland, California, on 13 May 1944. He received the degree of A. B. in Physics from the University of California at Berkeley in 1966.

He received the degree of Master of Science in Physics in 1968 from San Diego State College. In the same year he enrolled as a doctoral candidate in engineering acoustics at the Pennsylvania State University. While at the Pennsylvania State University he was employed as a graduate research assistant at the Ordnance Research Laboratory.

In 1971 he received the degree of Doctor of Philosophy in engineering acoustics from the Pennsylvania State University. His dissertation, under the direction of Professors Fitzhugh W. Boggs and M. T. Piggot, was concerned with the transmission of sound through a stochastic surface.

In September 1971 he joined the faculty of the Naval Postgraduate School, Monterey, California, as a National Research Council Postdoctoral Research Associate in the Department of Physics.
